2006 Waterfowl Hunt for Hunters with Disabilities Fact Sheet

Weekend Hunt Event - Saturday and Sunday, October 14 and 15, 2006

Our hunt this year will follow the same pattern as previous years. Hunters must have a Class A or C Disabled Hunting Permit to participate in the hunt. We will meet at the Refuge Maintenance Complex at 5:00 am on Saturday, and then head out to the hunting area for a full day of hunting. Sunday's hunt will be a half day, with a lunch provided back at the Refuge Maintenance Complex at NOON. This hunt is limited to 14 participants. If more than 14 applications are received by the deadline, then a random drawing will be held. Those not selected for the weekend hunt may select two days of hunting from the weekday hunt - details follow.

Weekday Hunting - Hunters not selected for or not interested in the weekend hunt have the option of selecting two days to hunt from a designated hunting blind located at the River Bottoms area of the Refuge. Dates available will be Tuesday, Wednesday, and Thursday - October 17, 18, 19 and Tuesday, Wednesday, and Thursday - October 24, 25, 26. We hope to be able to accommodate everyone who wishes to hunt by offering this extra opportunity. Hunting will be limited to two hunters per day. Each hunter may bring one volunteer to assist them. The volunteer may also hunt. Hunting from a boat will not be allowed, but a small boat may be used to set decoys and retrieve birds.

Please fill out the enclosed application and return it to the Refuge by September 5. We will notify you of the results of the applications by September 15.
